*Parents and Guardians, this is our inaugural summer school. Its goal is to enrich and accelerate your student's learning at Watershed. To support this goal, students who enroll in our summer school are automatically entered in our new Learning Year Program (LYP). They will have a Continual Learning Plan (CLP) developed at least annually, with the participation of the student, parent or guardian, and teachers or other staff. Consult the school office for more information. See also Minnesota Statute 124D.128; Subdivision 3.*
